FOUNDER PRESIDENT

Mr. Amarjeet Sandhu
1981-2017

ABOUT KGI

Karnal Group of Institutions has multi-campus with modern infrastructural labs with all facilities for boys and girls and a well equipped library. Our aim is to make it an institute of excellence and to improve the quality of technical education for the students community. Appreciating the need for economic independence and the pivotal role men play in raising the standard of living of a vast starting of our society. Karnal Institute of Technology & Management aims for the uplift of urban and rural youth. KITM is providing career-oriented education to the students so as to equip them with requisite, qualification and training. Karnal Institute of Technology & Management is totally alive to the needs and aspirations of the student community and keeps itself abreast of the changes taking place on the industrial front of the country. Karnal Institute of Technology & Management has trained, competent and highly dedicated faculty to impart theoretical as well as practical training to the students. Regular involvement of the expert outside faculty from reputed institutions and organizations helps in improving the quality and gives wider exposure to the students.

Karnal Institute of Technology & Management is more than giving lectures. Extra curricular activities help the students in improving their horizon and vision. The Institute has good rapport with other organizations and sponsors the students of various courses for training to these reputed organizations. The Institute is committed to provide quality vocational and technical education to its students, so as to boost their morale and instill new confidence to prepare them to accept the challenges of life and put their best foot forward in the march to success for betterment of their lot.

VISION OF KGI

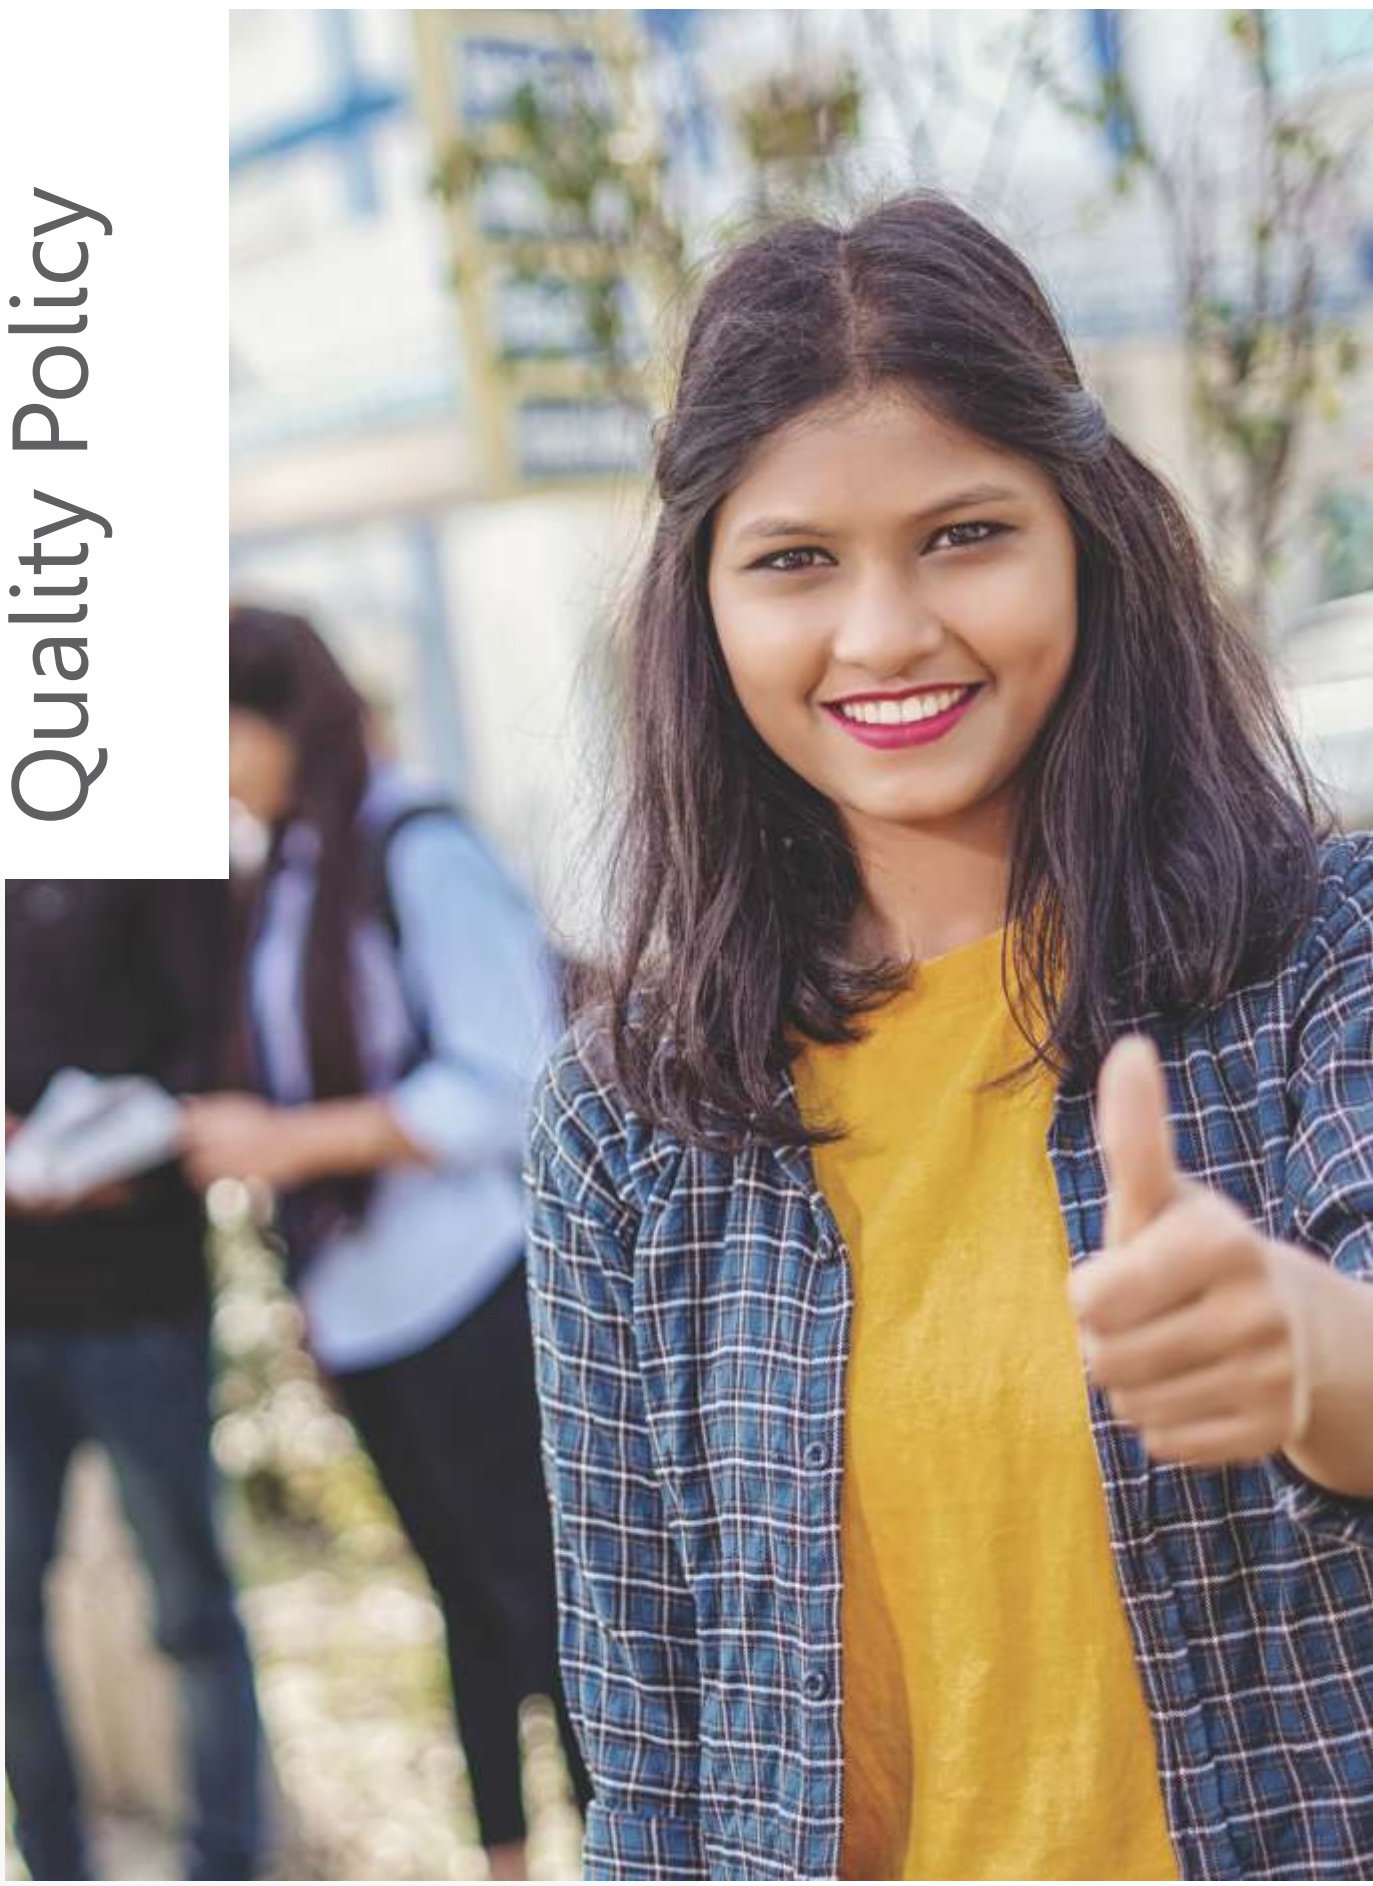

Karnal Group of Institutions will provide excellent educational opportunities that are responsive to the needs of the community and help students meet economic, social, and environmental challenges to become active participants in shaping the world of the future.

MISSION OF KGI

KGI has a safe, friendly, accessible environment where all students and community members may optimize their academic, career, and cultural development. It provides quality education producing technical manpower of a tall order comparable with the best in the world and offers and creates all possible amenities and facilities including state -of-the-art infrastructure and first rate faculty.

Quality Policy

KGI is committed to provide quality education to the students enabling them to excel in the fields of Science, Engineering, Technology and Management and to cater to the changing and challenging needs of society and industry through the following initiatives :

- Contributing to the academic standing and overall knowledge development of the students
- Maintaining state-of-the-art infrastructure and congenial learning environment
- Enhancing the competence of the faculty to a very high level and to make them adopt all modern and innovative methods in teaching-learning process
- Inculcating moral and ethical values among the students and staff
- Collaborating with industry, other institutions and organizations for mutual benefit
- Promoting Research and Development programme for the growth of the economy
- Disseminating technical knowledge in the region through continuing education programmes
- Ensuring continual improvement of Quality Management System

President's Message

Vinod Sangwan
Mahavir Shiksha Samiti

We will promote an open, honest, and participatory administration where mutual trust is earned. We will endeavour to decentralize authority and empower our departments, faculty, and staff so that decisions can be made by those closest to the point of focus. Authority and responsibility will be coupled. We will endeavor to align the goals of the University, College, Departments, and Faculty. Our reward system will be consistent with the mission and goals of our institution. We will create an environment where faculty and staff are encouraged to continue to develop as professionals. Administrators in the institute will supply leadership at all levels of technical education, both inside the campus and outside in the large context of our professions. We will embrace diversity and global perspectives in technical education.

I extend a very warm welcome to all the students who wish to join KITM from forthcoming academic session. I assure all of you that you will be fully equipped with state-of-art theoretical knowledge, innovative and creative practical skills and entrepreneurial attitudes to achieve success in life.

Vice President's Message

We are living in the era of specializations and super-specializations. Organisations will likely not hire a candidate who is jack of all trades, but, master of none. But at the same time they need specialists who are capable of multi tasking. To put it simply, the corporate world is looking for professionals who are equipped to handle the pressures of a demanding atmosphere.

Realizing this fact, Karnal Group has set up professional colleges to empower and equip aspiring professionals to deliver the best while working amidst pressures. We have top notch infrastructure and facilities to create a learning environment that helps the faculty and students to interact in a meaningful manner.

We are committed to carry on the legacy of excellence.

Mr. Rajinder Golen
Mahavir Shiksha Samiti

Gen Secretary's Message

Mr. Bansi Lal Lather
Mahavir Shiksha Samiti

KGI is established to promote the educational activities for the benefit of students at large. We have committed ourselves to quality education, inculcation of professionalism and maintenance of human values.

Our motto is to transform students into efficient and effective Teachers, Administrators and Professionals

We have accepted the challenges of academic excellence and global competence. Such challenges can only be accepted when there is a concerted teamwork. We, at KARNAL GROUP OF INSTITUTIONS follow a holistic framework of education where students are exposed to a variety of activities for their personality development.

The vision of Karnal Group of Institutions in the next five years is to create landmarks in quality education and to follow a teaching-learning process which inculcates scientific temper and professionalism to suite the demands of the coming times.

I welcome you to KARNAL GROUP OF INSTITUTIONS.

Treasurer's Message

Dear students, You are the nation-builders. You are the movers of technology. You are the agents of change. It is our fervent hope that the years that you spend in KGI would equip you with leadership and managerial skills. The knowledge that you will gain, the fine qualities that you will imbibe and the technical skills that you will learn to apply will be your major contribution to your parents, to society, and to the nation.

We invest our trust on you. You are our safe source and we bank all our efforts on you. We create not the future; instead we craft you for the future. There are strong challenges to great efforts but, always remember, great effort bears the sweet fruit of success. We want you to taste the fruit of success once and for the rest of your life you will never rest.

You don't have to be great to start, but you have to start to be great.

Sh. Attar Singh Sandhu
Mahavir Shiksha Samiti

From Group Director's Desk

Dr. Sachin Wadhwa
Karnal Group of Institutions

The Karnal Institute of Technology & Management, Kunjpura (Karnal) campus is located in a hygienic, pollution free and lush green environment. This Institute provides value based technical education in the disciplines of Electronics & Communication Engg., Computer Science & Engg., Mechanical Engg., Information Technology and MBA. Our main aim is to educate the young students for future challenges and KITM's academic approach is knowledge centric rather than examination centric. We have a family environment between the students, faculty members and other concerning staff. We have a positive, healthy and smooth atmosphere of learning and teaching and are committed to physical, mental and professional development of the growing students. Apart from teaching, the students are monitored to be ideal and successful citizens of India.

I heartily congratulate the Management, Karnal Institute of Technology & Management for their valuable advice, guidance & support for proper establishment of the Engineering College & welcome the forthcoming students for a unique experience to achieve academic excellence.

KIP Principal's Message

I feel privileged to lead such a vibrant institute that offers such enormous opportunities.

Our goal is to equip pupils with the skills required to access increased opportunities thereby enhancing their chances of success. Our academic standards continue to improve year on year and the curriculum we offer is carefully designed to engage and inspire, providing pupils with the necessary skills to flourish in an ever-changing world. To complement this we provide a wide range of extra-curricular activities to enrich their academic and social lives. Our recent inspection (April 2016) confirms this view. Visitors are always welcome to make an appointment to visit the institutes and see what we have to offer, talk to our staff and students and see us in action. I look forward to welcoming you to ensure the best standard of education for your child.

It is a great pleasure to welcome you to Polytechnic Institute.

Er. Suresh Jangra
Karnal Institute of Polytechnic

KDC Principal's Message

Dr. Balbir Singh
Karnal Degree College

Karnal Degree College was established in 2015 with the goal of providing quality education to young people, particularly belonging to rural areas. The college offers degree courses in Arts, Science & Commerce.

With dedicated and highly qualified faculty members in all the subjects, the college provides opportunity to young persons to excel in all academic fields and reach the pinnacle of their professional career. English is an international language and is a vital tool for the students who want to study abroad. To improve the language skills of students the college has English Language Laboratory. The college is equipped with all the necessary infrastructure, library, laboratories and sports facilities to ensure an all round development of personality of the students.

KIS Principal's Message

The Karnal International School Haryana is a CBSE affiliated school, which is headed by Nisha Khurana as its Principal who has over two decades of experience in the Education sector.

Preparing the students for a world which we have not seen but only foreseen is a challenge in itself for any Educator. We have tried to identify the skills and the aptitudes required for the tomorrow's adult. We have chalked out some very basic skills and devised the curriculum and other activities based on it. Parents need to devote quality time with their wards. As parents, you need to develop a close rapport with the school & the teachers, in order to smoothen the ups & downs in the child's development. Let us all contribute to the all round development of the child. I hope that Session 2019-2020 brings each one of us joy, cheer, good luck, health & wisdom. True to our motto 'Service Before Self', we serve others willingly, graciously & selflessly. Let us not expect anything in return for our service, because there is greater pleasure in giving than in receiving.

Smt. Nisha Khurana
Karnal International School

WHY TO SELECT KARNAL GROUP OF INSTITUTIONS?

▶ **INDUSTRY ORIENTED TEACHING**

Teaching at Karnal Group of institutions is highly practical and focused on what the industry needs, as it is evolved through constant interaction with leading professionals who are a part of industry and academic advisory board.

▶ **PERSONALITY ENHANCEMENT**

At KGI, emphasis is given not only making the students academically brilliant, but true leaders, true players, thus preparing them for the real life corporate world. Students of KGI have come out with flying colors, winning competitions in debates, sports/theater and many other intra- and inter institutes festivals and events.

▶ **INTENSIVE CORPORATE INTERACTION**

Leading corporate professionals as visiting faculty share rich industry experience. KGI has organised various industrial and keen academic partners to over 35 plus seminars. KGI is the only institution which invited leading gurus and eminent persons from corporate world.

Healthy Environment

Karnal Group of Institutions is providing a healthy and pollution free environment to improve the health and wellness of students and staff. The 22 acres campus is lush green , pollution free and conveniently located in Kunjpura within the Karnal city area.

CONTRIBUTION TOWARDS SOCIETY

At the core of our Karnal Group of Institutions campaigns and initiatives are our concern and pursuits to bring about positive change in six key areas:

- Access to education
- Economic development
- Advancement in research and technology
- Social and environmental sustainability
- Investing in people and the community
- Contributing to informed public debate

Courses Offered

- ▶ **M.Tech** 2 Years
ME | ECE
- ▶ **B.Tech** 4 Years
Civil | ME | CSE | ECE | EEE
- ▶ **Polytechnic** 3 Years
Civil | ME | CSE | ECE | EE
- ▶ **MBA** 2 Years
- ▶ **BBA** 3 Years
- ▶ **B.Sc.** 3 Years
Medical | Non-Medical
- ▶ **B.Com.** 3 Years
- ▶ **B.A** 3 Years
- ▶ **B.Ed.** 2 Years
- ▶ **D.Ed.** 2 Years
- ▶ **ITI** 1 Year & 2 Years
Electrician | Fitter | Welder | HSI
- ▶ **Certificate of Advanced Business Management** 1 Year
- ▶ **Certificate of Advanced Computing** 1 Year

B.Tech & Polytechnic

Civil Engineering

- 
- Structural Analysis lab
 - Fluid Mechanic lab
 - Concrete Technology lab
 - Transportation Engineering lab
 - Environment lab
 - Soil Mechanics lab
 - Surveying lab
 - Geo-Tech lab
 - Water Supply lab

Civil engineering is a professional engineering discipline that deals with the design, construction and maintenance of the physical and naturally built environment, including works such as bridges, roads, canals, dams and buildings.

The laboratories are well equipped with sophisticated instruments that help students to translate their classroom learning into practical engineering.

B.Tech & Polytechnic

Electronics and Comm. Engineering

Electronics and Communication Engineering is a branch of engineering which deals with design of various electronic circuits and communication system.

Departments have well maintained and well equipped laboratories as enlisted below:

- Digital Electronics lab
- VHDL lab
- MAT lab
- Analog Communication lab

- Electromechanical
Energy Conversion lab
- Electrical Technology lab
- Signal and System lab
- Semi Conductor Devices lab
- Digital Communication lab
- Electronic Design lab
- Linear Integrated
Circuit Application lab
- Micro Processor lab

B.Tech & Polytechnic

Electrical and Electronics Engineering

Electrical and Electronics is a core branch of Engineering which deals with design of various transmission system and power systems.

Department has well maintained and well quipped laboratories as enlisted below:

- Elements of Electronic Engineering lab
- Electronics Measurement and Instrumentation lab
- Digital Electronic lab
- Analog Communication lab
- Electro-mechanical Energy Conversion lab
- Electrical Technology lab
- Signal and System lab
- Semi Conductor Devices lab
- Electronic Design lab
- Electronic Design lab
- Linear Integrated Circuit Application lab
- Microprocessor lab
- VLSI lab
- Digital Signal Processing lab
- Electrical Circuit & Drives lab
- Micro Wave Engineering lab
- Power System lab
- Communication Engineering lab
- Minor/Major Projects lab

Computer Science and Engg.

B.Tech & Polytechnic

The degree programmes in Computer Science and Engineering has been designed to enable the growth and learning in a highly focused and application based environment. The departments has developed state of art laboratories in the field of Computer Science and Engineering. Important laboratories are:

- Internet lab
- Programming lab
- Data Base Design and Programming lab
- Data Structure lab
- Operating System lab
- Hardware lab
- Mobile Computing lab
- Software Engineering lab
- Animation lab
- Advance Technology lab
- FCPC lab
- Internet and Web Technology lab
- Database Management System and Programming lab
- LINUX lab
- Web Engineering lab
- Server side Programming lab
- C++ lab
- Visual Basic lab

B.Tech & Polytechnic

Applied Science and Humanities

The department of Applied science and Humanities engages the students in their first year and builds their foundation on which the engineering knowledge of their respective discipline is based. The department imparts excellent quality education in the area of applied science (Physics, Chemistry, Math, Env. Studies, English, etc.) for the future technocrats of all streams and enhances innovative thinking among the students

MATHEMATICS

Mathematics is an integral part of all branches of engineering. All engineers need to be able to formulate practical engineering problems in mathematical terms.

CHEMISTRY

Department has well equipped Chemistry labs which include PH metre, water analyzer equipment, redwood viscometer, deionizer, hot air oven, electrical digital balance, chemical balance, pensky martens apparatus.

ENGLISH

In the globalized context, students of engineering and technology need a specific set of language skills for their success in education and career. It is vital to possess strong communication skills.

BIOTECHNOLOGY

It enables students to understand new techniques like genetic engineering, recombinant DNA technology, tissue culture and their role in improving traits of organism.

PHYSICS

The department of Physics has full fledged lab along with a dark room with all the latest equipments and accessories. Major emphasis is given on Material Science, Electronics, Optics, Nuclear Physics, Modern Physics, etc.

ENVIRONMENTAL STUDIES

Environmental studies mainly focuses on developing eco-centric thinking among students. It gives general information on environment, its scope, importance and major issues related to environment.

Mechanical Engineering

Mechanical Engineering has all time demand and its spectrum grows with advance in other areas of technology, any physical system, be it power, communication, computer or machinery and has to be manufactured, operated, monitored and manipulated by mechanical engineering.

Department has got well equipped and well maintained laboratories as enlisted below:

- Strength of Materials lab
- Kinematics of Machines lab
- Thermodynamics lab

- Production Technology lab
- Fluid Mechanics lab
- Dynamics of Mechanics lab
- Thermal Engg. Lab
- Heat Transfer lab
- Refrigeration & Air Conditioning lab
- Computer Aided lab
- Hydraulic Machines lab
- Tribology & Metallurgy lab
- Material & Metallurgy lab
- Entrepreneurship lab

Department of Management

To be successful in a changing global economy , managers must view the total enterprise and understand the forces shaping the firms' direction, policies and goals. At the same time they should exercise the personal leadership in managing employees.

Management Department at Karnal Group of Institutions applies Basic Science, Humanities & Engineering disciplines & research methods to these management & leadership problems in the public and private sectors.

MBA Specializations

- Marketing
- Finance
- Human Resource Management
- International Business
- Information Technology

Bachelor of Business Administration

Jaat & Karnal College of Education

Jaat College of Education came into existence in 2007. The college is working under the administration of Mahavir Shiksha Samiti, Karnal. The college is affiliated to Kurukshetra University and approved by National Council for Teacher Education (NCTE). The college has a magnificent and spacious building.

There are a number of sections in the main building. On the ground floor there are adequate numbers of classrooms. The music room is equipped with musical instruments. The college has a well-furnished staff room, separate common rooms for boys and girls. The college has the facility of PA system, Telephone, Fax, E-mail and Internet for quick communication and information. Besides, forty-six inter-com. connections are working in different Sections and Departments of the college. The college has a staff bus to facilitate transportation of visitors of the college during academic programmes and regular meetings.

“ The Aim of Education is the knowledge not of facts but of values.”

Bachelor of Education (B.Ed)

Diploma in Education (D.Ed.)

The college conducts Diploma in Education (D.Ed.) which is a certificate-level course in education. Education (also called learning, teaching, or schooling) in the general sense is any act or experience that has a formative effect on the mind, character, or physical ability of an individual

Karnal Degree College

Graduates in Commerce are able to plot a career path in the world of business. Success in any choice of career will depend on how the students use this foundation course as a stepping stone to study further and gain post graduate qualifications.

B.A. (General)

Eligibility:

Candidates must have an aggregate of 35% marks in the qualifying examination in 12th . A student has to take 4 compulsory subjects & 2 optional subjects:

A. Compulsory subjects

Hindi , English

Environmental Studies (qualifying paper)

Computer Education(certificate Course)

B. Optional Subjects : (any two)

- Hindi / Sanskrit
- History, Economics, Political Science, Psychology ,Philosophy ,Social Work
- Music (Vocal)
- Mathematics
- Physical Education (only For Sports)

B.Sc | Eligibility: Pass in 10+2, A Level, IB, American 12th Grade or equivalent with Physics, Chemistry, Mathematics and English for admission to B.Sc , with a minimum of 40% marks in Physics, Chemistry and Mathematics taken together.

Available courses - B.Sc : Non Medical

B.COM | Eligibility:

Students who have successfully passed 12th Standard/ HSC/10+2 (or equivalent Level of Examination) from any recognized Board.

Karnal Pvt. ITI

The Karnal Pvt. Industrial Training Institute, Kunjpura (Karnal) was established in 2015 with an objective of imparting skills in various vocational trades to meet the skilled manpower requirement of industry.

Our mission is to produce world class trained work force. We at Karnal Private ITI, Kunjpura are working hard to tap this strength of the nation. We are also committed to the policy of maximum utilization of man power and machinery and our aim is to provide the best training among younger generations at nearest Institution with modern training facilities. The Karnal Pvt ITI Kunjpura is an Industrial Training Centre run by Society and is affiliated with National Council for Vocational Training (NCVT) under the department of Ministry of Labour, Govt. of India Vide DGET No. 6/7/7/2008-TC.

Name of Trade : Welder
Duration : 1
Entry Qualification : Passed Middle Examination

Infrastructure

IT CENTERS

The College has three state-of-the-art Computer Centers. All the computers in the centers are provided with the latest updated software and hardware. Internet, printing and scanning facilities are also available through network. Further, each center is equipped with uninterrupted power backup.

The teaching of information technology and computer based papers is carried out through LCD screens in the computer centers. In addition, the centers are also available for the students for accessing internet, practice and for preparation of their projects. Internet with more than 2 mbps data transfer rate is available.

FACULTY/TUTORIAL ROOMS

The tutorial rooms are centrally air-conditioned and Wi-Fi enabled. Here, the students have personal interaction with the faculty on academic and other matters and further conduct their co-curricular activities. These rooms have ultimately emerged as the bedrock for the generation of bright ideas. These rooms also provide the faculty with a peaceful and comfortable place for their academic pursuits.

CANTEEN

The Campus Canteen is a popular meeting place for students. It serves a variety of eatables at moderate prices. Fully air conditioned canteen with elegant tables and cozy chairs add comfort while enjoying array of savory food. It has a seating capacity of fifty people.

CLASSROOM

The class-rooms retain their heritage look with vintage teak furniture. Centrally air-conditioned, the class rooms facilitate a blend of traditional and modern modes of teaching with technological aids such as ceiling-mounted LCD projectors, roll-down screens, green boards and podium for faculty

Wi-Fi Campus

The campus is fully Wi-Fi enabled which can be accessed by students and staff members in the academic block, tutorial block, corridors, open areas, hostels and sports complex. Users are provided a secure access with a login ID and password for using Wi-Fi facility through laptops.

Hostel Facilities

Separate hostel facility is available for Boys and Girls with basic facilities and proper arrangement.

BOYS HOSTEL :

The College has a Boys Hostel within its campus to accommodate students who come from the different parts of the country and the world. The Boys Hostel has provision for accommodation for one hundred and fifty students across various semesters. The hostel has a separate dining hall, common room and washroom area. The rooms are furnished. The mess is operated thrice a day at breakfast, at lunch and at dinner. Wi-Fi facility is also available in the hostel. Laundry services are separately provided within the campus for residents.

Girls HOSTEL :

The Institute also has a Girls Hostel within its campus to accommodate students who come from the different parts of the country and the world. The Girls Hostel provides accommodation to girl students. The hostel has a separate dining hall, common room and washroom area. The rooms are furnished. The mess is operated thrice a day at breakfast, at lunch and at dinner. Wi-Fi facility is also available in the hostel. Laundry services are separately provided within the campus for residents. In addition, the hostel also provides washing machine for self-washing by the residents

S P O R T S

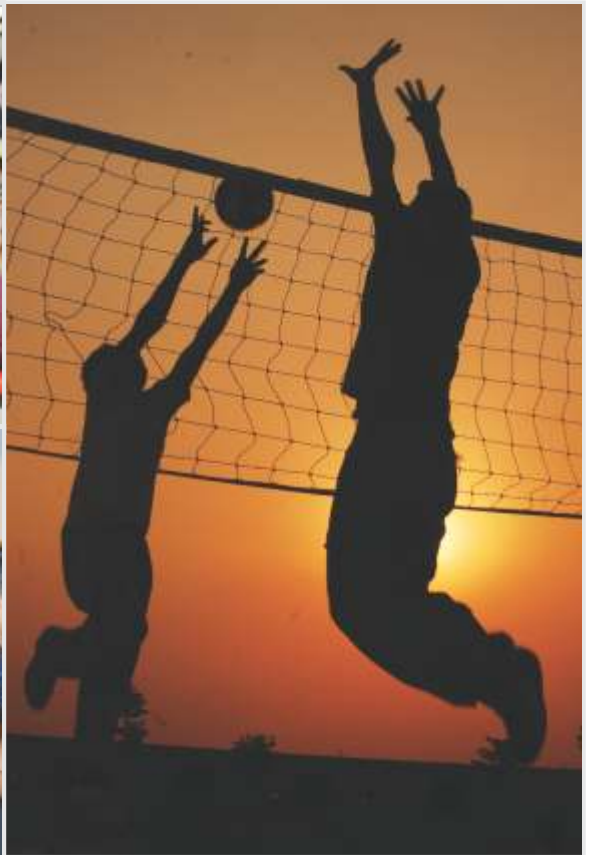

The College has a state-of-art international standard multipurpose indoor sports stadium. The courts laid with wooden planks are used for Badminton, Basket Ball, Volley Ball, Judo, Wrestling, etc. Besides this, a separate room for chess and table tennis is also provided in the stadium.

The Campus also has a hockey cum football field.

The Institute has been excelling in sports for over two decades. Every year the Institute holds Sports Carnival, Inter-class matches and Sports Day. For proper training and grooming of players the Institute provides coaching facilities to the players for different games.

The Institute has teams for Cricket, Football, Hockey, Basket Ball, Hand Ball, Badminton, Lawn Tennis, Table Tennis, Squash Racket, Swimming, Shooting, and Athletics.

P L A C E M E N T

Today, having a degree isn't just about looking good on paper. It's also about having the practical knowledge and professional skills that can be valuable to employers.

We help our students gain the vital knowledge and skills, which is required to cope up in the business world. We are passionate about grooming future leaders who are not only thorough professionals but also good human beings. It is our endeavor to provide students with a congenial environment, with a focus on achieving academic excellence.

We also focus on all round development of the students by constantly conducting various activities that help to enhance the personality, creativity and innovation of an individual. Central Placement Cell aims at not only the placements of its students but also plays an important role in shaping the careers of students in their Induction & Orientation, Post Placement Support, Summer Internships, Mid Terms Projects and Industrial Visits. The Cell undertakes various academic and co-curricular initiatives, so that students are well equipped to meet varied industry requirements along with Training of students for improvement of technical, soft and communication skills. Our Team along with students and alumni works towards strengthening placements and career opportunities for the students.

Abroad Unified Pathway Program

The limiting factor for the Indian students, who wish to study a quality Australian undergraduate or postgraduate degree program is the time & money required to pursue their educational programs.

Today's world has a challenging and dynamic environment. The fundamental keys to success in today's business culture are firm concentration, professional training and a strong belief in yourself as well as the achievement of your goals.

The Abroad Unified Pathway Program-AUPP allows you to undertake the first year of your International Bachelors Program in your home country & then complete the remaining two years of your Bachelors Program in Australia/NZ. Our dedication ensures that you are prepared well in your home country so that you feel at home in Australia/NZ, within a safe, secure and supportive environment. AUPP's commitment will allow you the opportunity to take on this life-changing journey and get full advantage of the experience we have to offer you.

The main focus of AUPP is that you succeed in achieving your goals and enter the industry culture equipped with knowledge, confidence and ability to perform your best. Our goal is to provide the guidance you need during the journey to become professional and productive contributors in the society.

Together with our highly experienced & professional teaching staff, AUPP looks forward to delivering academic excellence, value-based education, and providing an environment that is beneficial to your academic and professional development.

We acknowledge that education is the essence of developing skills needed to enter a productive society and vital in promoting an individual sense of worth, values and high ethical standards and we at AUPP are determined to inculcate these must needed skills in the youth of today-our students.

We personally look forward to playing a fundamental role in your life journey as our educational relationship continues and we work towards defining your educational and professional goals.

ALL THE BEST FOR
THE FUTURE!!!

STUDENTS' Message

Life in KGI has been breathtaking experience. The college has molded my personality and clarified my vision of the future. I am very grateful to the Institute for providing guidelines and motivation to inspire me to achieve my goals.

Randhir Das (MBA)

KGI has been a completely enriching experience. I am thankful to all the faculty members of the Institute for their continuous efforts and support.

Purushottam kr. Yadav (B.Tech)

I got infinite love & lessons from my teachers, who made me "Work Hard" for the way to success. Miss those days of KGI. Just want to thank the wonderful faculty of KGI.

Asha (B.Com)

Environment of KGI was very nice just like a family. The teachers were like a backbone for me, friends were the reason for my smile and juniors were like younger siblings.

Keshab Jang Xetri (Diploma)

My experience at KGI has taught me one fundamental thing – life is unpredictable. It might be good, it might be bad, it might be weird, and it might not interest you, but expect anything to happen. It is a perfect blend of joys and hardships.

Tabrej (B.Tech)

KGI is a place of knowledge and bliss. It has provided me a wonderful environment and opportunity to learn and grow myself in every field

प्लेसमेंट ड्राइव में 14 को मिला रोजगार

जास, करनाल : करनाल इस्टीट्यूट ऑफ टेक्नोलॉजी एवं मैनेजमेंट (केआईटीएम) में मंगलवार को एनेसमेंट ड्राइव का आयोजन किया गया।

इसमें युरोका फोरबस कंपनी वंडीगढ़ के एचआर मैनेजर बलजिंद सिंह पहुंचे। उन्होंने करीब 50 बुवाओं के साक्षात्कार लिए। बोमयात के आधार पर 14 बुवाओं को कंपनी में रोजगार के लिए चुना गया। कैटीअइएम के प्रधान बिनोद सांगवान ने कहा कि करनाल इंस्टीट्यूट ऑफ टेक्नोलॉजी एंड मैनेजमेंट बुवाओं को तकनीकी रूप से सक्षम बनाने के लिए उच्च स्तरीय शिक्षा प्रदान कर रहा है। इसके साथ ही यह कोशिश की जाती है बुवाओं को पढ़ाई दौरान ही रोजगार भी मिल जाए।

उन्होंने कहा कि सत माच की भी लेसमेंट ड्राइव का आयोजन किया जाना है। इसमें अलग-अलग कंपानियों के अधिकारी साक्षात्कार लेंगे। युवाओं को रोजगार देने के लिए ऐसे आयोजन होंगे। इस अवसर पर प्रबंधन समिति के अध्यक्ष राजपाल यादवान, प्रिंसिपल जयशंकर शर्मा, वरिष्ठ अध्यापक कालेज ऑफ मैनेजमेंट एंड बिजनेस लेसमेंट अधिकारी संजय खड्गी व कैजीआई के रजिस्ट्रार दिबित्र सचदेवा मौजूद रहे।
